## 1. INTRODUCTION

Pursuant to Haw. Rev. Stat. §245-22.5(a), beginning December 1, 2003, it shall be unlawful for an entity (1) to affix a stamp to a package or other container of cigarettes belonging to a tobacco product manufacturer or brand family not included in this directory, or (2) to import, sell, offer, keep, store, acquire, transport, distribute, receive, or possess for sale or distribution cigarettes<sup>1</sup> belonging to a tobacco product manufacturer or brand family not included in this directory. Pursuant to §245-22.5(b), any entity that knowingly violates subsection (a) shall be guilty of a **class C felony**.

Pursuant to Haw. Rev. Stat. §§245-40 and 245-41, any cigarettes unlawfully possessed, kept, stored, acquired, transported, or sold in violation of Haw. Rev. Stat. §245-22.5 may be ordered forfeited pursuant to Haw. Rev. Stat., Chapter 712A. In addition, the attorney general may apply for a temporary or permanent injunction restraining any person from violating or continuing to violate Haw. Rev. Stat. §245-22.5.

Pursuant to Haw. Rev. Stat. §486P-6(b), the attorney general shall update the directory as necessary to correct mistakes and to add or remove a tobacco product manufacturer or brand family to keep the directory in conformity with the requirements of Haw. Rev. Stat., Chapter 486P. The attorney general shall transmit by email or other practicable means to each licensee authorized to stamp, notice of any addition to or removal from the directory of any tobacco product manufacturer or brand family. The current directory can be downloaded from **[www.hawaii.gov/ag/tobacco](http://www.hawaii.gov/ag/tobacco)**.

## 2. DEFINITIONS

a. "Brand Family" means all styles of cigarettes sold under the same trademark and differentiated from one another by means of additional modifiers, including but not limited to "menthol", "lights", "kings", and "100s", and includes any brand name (alone or in conjunction with any other word), trademark, logo, symbol, motto, selling message, recognizable pattern of colors, or any other indicia of product identification identical or similar to, or identifiable with, a previously known brand of cigarettes. (See Haw. Rev. Stat. §486P-1.)

b. "Cigarette" means any product that contains nicotine, is intended to be burned or heated under ordinary conditions of use, and consists of or contains (1) any roll of tobacco wrapped in paper or in any substance not containing tobacco; or (2) tobacco, in any form, that is functional in the product, which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette; or (3) any roll of tobacco wrapped in any substance containing tobacco which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased

---

<sup>1</sup> Under Haw. Rev. Stat. §§486P-1 and 675-2(d) the definition of "cigarette" includes roll-your-own tobacco.

by, consumers as a cigarette described in clause (1) of this definition. The term "cigarette" includes "roll-your-own" (i.e., any tobacco which, because of its appearance, type, packaging, or labeling is suitable for use and likely to be offered to, or purchased by, consumers as tobacco for making cigarettes). For purposes of this definition of "cigarette" 0.09 ounces of "roll-your-own" tobacco shall constitute one individual "cigarette." (See Haw. Rev. Stat. §§486P-1 and 675-2(d).)

c. "Directory" means the "directory" established pursuant to Haw. Rev. Stat. §486P-6. (See Haw. Rev. Stat. §245-22.5(e).)

d. "Entity" means one or more individuals, a company, corporation, a partnership, an association, licensee, or any other type of legal entity. (See Haw. Rev. Stat. §245-22.5(e).)

e. "Master Settlement Agreement" ("MSA") means the settlement agreement (and related documents) entered into on November 23, 1998 by the State and leading United States tobacco product manufactures. (See Haw. Rev. Stat. §675-2(e).)

f. "Non-Participating Manufacturer" means any tobacco product manufacturer that is not a participating manufacturer. (See §II(cc), page 9 of the MSA.)

g. "Participating Manufacturer" means a tobacco product manufacturer that is or becomes a signatory to the MSA, provided that (1) in the case of a tobacco product manufacturer that is not an original participating manufacturer, such tobacco product manufacturer is bound by the MSA and the consent decree (or, in any settling state that does not permit amendment of the consent decree, a consent decree containing terms identical to those set forth in the consent decree) in all settling states in which the MSA and the consent decree binds original participating manufacturers (provided, however, that such tobacco product manufacturer need only become bound by the consent decree in those settling states in which the settling state has filed a released claim against it), and (2) in the case of a tobacco product manufacturer that signs the MSA after the MSA execution date, such tobacco product manufacturer, within a reasonable period of time after signing the MSA, makes any payments (including interest thereon at the prime rate) that it would have been obligated to make in the intervening period had it been a signatory as of the MSA execution date. "Participating manufacturer" shall also include the successor of a participating manufacturer. Except as expressly provided in the MSA, once an entity becomes a participating manufacturer such entity shall permanently retain the status of participating manufacturer. Each participating manufacturer shall regularly report its shipments of cigarettes in or to the fifty United States, the District of Columbia and Puerto Rico to Management Science Associates, Inc. (or a successor entity as set forth in subsection (mm)). Solely for purposes of calculations pursuant to subsection IX(d), a tobacco product manufacturer that is not a signatory to the MSA shall be deemed to be a "participating manufacturer" if the original participating manufacturers unanimously consent in writing. (See §II(jj), page 11 of the MSA.)

h. "Qualified Escrow Fund" means an escrow arrangement with a federally or State chartered financial institution having no affiliation with any tobacco product manufacturer and having assets of at least \$1,000,000,000 where such arrangement requires that such financial institution hold the escrowed funds' principal for the benefit of releasing parties and prohibits the tobacco product manufacturer placing the funds into escrow from using, accessing or directing the use of the funds' principal except as consistent with section 3(b) of Haw. Rev. Stat., Chapter 675. (See Haw. Rev. Stat. §675-2(f).)

i. "Stamp" means a stamp printed, manufactured, or made by authority of the Department of Taxation, as provided in this chapter, that is issued, sold, or circulated by the Department of Taxation, and by the use of which the tax levied under this chapter is paid. (See Haw. Rev. Stat. §245-1.)

j. "Tobacco Product Manufacturer" means an entity that after July 2, 1999 directly (and not exclusively through any affiliate): (1) manufactures cigarettes anywhere that such manufacturer intends to be sold in the United States, including cigarettes intended to be sold in the United States through an importer (except where such importer is an original participating manufacturer (as that term is defined in the MSA) that will be responsible for the payments under the MSA with respect to such cigarettes as a result of the provisions of subsection II(mm) of the MSA and that pays the taxes specified in subsection II(z) of the MSA, and provided that the manufacturer of such cigarettes does not market or advertise such cigarettes in the United States); (2) is the first purchaser anywhere for resale in the United States of cigarettes manufactured anywhere that the manufacturer does not intend to be sold in the United States; or (3) becomes a successor of an entity described in paragraph (1) or (2). The term "tobacco product manufacturer" shall not include an affiliate of a tobacco product manufacturer unless such affiliate itself falls within any of (1) - (3) above. (See Haw. Rev. Stat. §675-2(i).)

k. "Units Sold" means the number of individual cigarettes sold in the State by the applicable tobacco product manufacturer (whether directly or through a distributor, retailer or similar intermediary or intermediaries) during the year in question, as measured by excise taxes collected by the State on packs (or "roll-your-own" tobacco containers) bearing the excise tax stamp of the State. The Department of the Attorney General shall promulgate such regulations as are necessary to ascertain the amount of State excise tax paid on the cigarettes of such tobacco product manufacturer for each year. (See Haw. Rev. Stat. §675-2(j).)

### **3. NOTICES**

a. This directory includes an alphabetical listing of participating and non-participating manufacturers, along with their respective brands and brand families, listed alphabetically next to the manufacturer. This directory also includes a separate alphabetical brand index for ease of reference.

b. Before affixing cigarette tax stamps to brands listed in this directory, the licensee authorized to stamp must first ascertain that the cigarettes meet all State and federal laws (e.g., health warning, intended for sale in the U.S., etc.).

c. This directory does not apply to manufacturers of smokeless tobacco, or other tobacco products (i.e., snuff, chewing tobacco, pipe tobacco, and cigars). The application is only to manufacturers of cigarettes and roll-your-own tobacco.

d. The attorney general is the only source of compliant status. Do not rely on representations made by tobacco product manufacturers. In addition, compliant status in one state is not a reliable indicator of compliant status in another state.

**Beginning December 1, 2003, it is unlawful for an entity to: (1) affix a stamp to a package or other container of cigarettes of a tobacco product manufacturer or brand family not included in the directory; or (2) import, sell, offer, keep, store, acquire, transport, distribute, receive, or possess for sale or distribution cigarettes of a tobacco product manufacturer or brand family not included in the directory. Any entity that knowingly violates this law shall be guilty of a class C felony. (See Haw. Rev. Stat. §245-22.5.)**

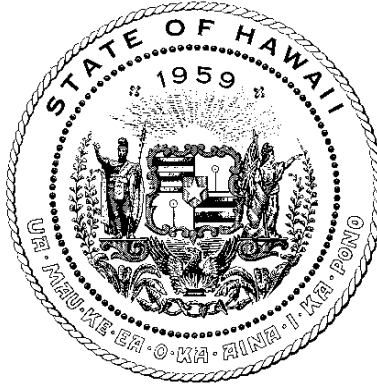

**Every effort has been made to ensure the information presented in this directory is complete and accurate based on the information provided. However, the tobacco product manufacturers listed are encouraged to review the information to confirm its completeness and accuracy.**

**The attorney general shall update the directory as necessary to correct mistakes and to add or remove a tobacco product manufacturer or brand family to keep the directory in conformity with the requirements of Haw. Rev. Stat., Chapter 486P.**

**The appearance of a tobacco product manufacturer and its brand(s) in this directory should not be construed as any form of license. As mandated by statute this directory is compiled for the purpose of providing information with regard to whether or not a particular tobacco product manufacturer has complied with the reporting requirements of Haw. Rev. Stat. §486P-2.**

It is understood that R.J. Reynolds will not certify above cigarette brands under the Hawaii Reduced Ignition Propensity Cigarette Law (Haw. Rev. Stat., Chapter 132C) and, therefore, is asking that these brands be removed from the tobacco directory. However, the requirement that cigarettes sold in Hawaii must be in compliance with Chapter 132C shall not prohibit wholesalers or dealers from selling existing cigarette inventories on or after September 30, 2009; provided that the wholesaler or dealer can establish both of the following to the satisfaction of the State Fire Council: (A) the Hawaii tax stamps were affixed to the cigarettes pursuant to Chapter 245 prior to September 30, 2009, and (B) the inventory was purchased prior to September 30, 2009, and the purchased inventory is comparable to the amount of inventory purchased during the same period the previous year. As such, existing inventory of the above brands may be sold so long as both conditions (A) and (B) are met.
